Re: 2014 Debt Settlement Plan 6/4/14 Amend  
Todd Akin for Senate C00343475

Response to RFAI of June 17, 2014  
Misc Text Form 99

June 26, 2014

Dear Chris Ritchie,

Thank you for your preliminary review of our Debt Settlement Plan. In response to your RFAI of June 17, 2014, I have enclosed the three amended pages which should clarify the confusions spelled out in your 6 points:

- A. The FEC has already received the signed DSP and the amended DSP Part I enclosed is also signed.
- B. To simplify and clarify confusion over Front Porch Strategies' DSP Part II, page 1 of 3, we attained another signed Part II, thereby clarifying this vendor's settlement.
- C, D and F. These have been addressed in corrected responses to confusion as to what was required in Part I and also the DSP Part II, page 3 of 3, for the loan settlement for Congressman W Todd Akin.
- E. The terminating report covers most of FEC Quarter 2; the candidate tried until June 1 to see if he could continue to fundraise and pursue the U.S. Senate for 2018, hence the "activity for P18." The disbursements after June 1 are all "winding down expenses."

We hope this amended Debt Settlement Plan will facilitate the FEC Termination Committee and Legal Board to allow this committee to terminate.

Congressman Akin, his wife, Lulli, and I want to thank you all for your efforts in such a complex set of regulations. Tyler Culberson, Nataliya Ioffe, and you, Chris, have been so helpful in this process of preparing the termination reports to terminate our committee.

Sincerely,

Patricia Breed, Asst. Treasurer, Todd Akin for Senate
